

## MENTORING OPPORTUNITY!

### **Youth Are Our Most Vital Natural Resource.**

Do you have an hour a week to make a real difference in the life of a high school student?

Do you appreciate the struggles of growing up and want to lend a hand?

Do you want the reward of seeing students grow and develop into productive adults?

If so, become involved in a new program beginning at Glen Este High School where selected adult mentors will meet weekly with a group of 10 to 12 students. These are bright students who are not reaching their potential due to lack of attention and a lack of basic life skills.

You can make a difference!

To apply or to get more information call, send or email the following information:
