THINGS YOU NEED TO KNOW ABOUT RECYCLING AND WASTE DISPOSAL IN CLERMONT COUNTY

We take great pride in the programs we have that emphasize a good quality of life, a solid respect for our environment, and a daily commitment to do the right things to protect our families today and the generations to follow.

This **Recycling Guide** provides you and your family with all kinds of good information that will help you reach the right decision daily on how to safely dispose of such items as used tires, oil, antifreeze, batteries, paint, computers, wire-less telephones, fire extinguishers, propane tanks, and more.

If you can't find a disposal solution that fits your needs in this Guide, please call the Clermont County Office of Environmental Quality for assistance: (513) 732-7894 or visit www.oeq.net

Thanks for your help in protecting our environment and the quality of life in Clermont County.

If you or members of your family would like to volunteer to help keep Clermont County Clean and Green, call Clermont 20/20 Clean and Green Coordinator at: (513) 753-9222

RESIDENTIAL GARBAGE COLLECTION

- (Q) Who can answer questions dealing with garbage pick-up from my house?**
- (A) Your waste hauler is either Rumpke, at (513) 851-0122, or CSI, at (513) 771-4200.

RECYCLING

- (Q) Since curbside recycling is not available to me, where can I find the nearest recycling center?**
- (A) Aluminum, steel, copper and tin metal cans, plastic bottles and jars, brown, green and clear glass; mixed paper and cardboard can be recycled at area drop-offs usually available to you 24 hours a day, 7 days week, as follows:

Amelia/Pierce Township Area

- Clermont County Water Works, 3685 Lewis Rd

482 Ohio Pike..... (513) 688-8182

WATCH BATTERIES

- Dakota Watch Co.,** Eastgate Mall (513) 753-0400
- Mt. Washington Jewelers,**
2107 Beechmont Ave. (513) 231-8735

DISPOSAL OF HOUSEHOLD HAZARDOUS WASTE

(Q) How can I properly dispose of “Household Hazardous Waste?”

(A) Categories of materials that may be considered “household hazardous waste” include automotive products, paints and solvents, pool chemicals, and hobby and craft materials. Disposal and recycling outlets for certain household hazardous waste materials are listed below. Guidelines for the disposal of paint are provided on Page 3 of this guide. For other materials not specifically listed in this guide, the county may offer vouchers to cover the cost of disposal or recycling. County residents are encouraged to contact the Office of Environmental Quality at (513) 732-7894 to enquire about the voucher program. If the material in question is included in the voucher program, a voucher will be sent to the resident, who is then responsible for taking the voucher and the material to the facility identified on the voucher.

Commercial or industrial firms interested in the disposal of hazardous wastes may contract directly with hazardous waste disposal firms. Two such firms are identified below:

ENVIRONMENTAL ENTERPRISES, INC.

4650 Spring Grove Avenue, Cincinnati, Ohio 45232

CLEAN HARBOR ENVIRONMENTAL SERVICES

4879 Spring Grove Avenue, Cincinnati, Ohio 45232

PROPANE TANKS

Auxier Gas, Inc. (No charge for empty tanks, drop off at cage outside)

2698 Old St Rt 74, Batavia(513) 724-7700

EXPLOSIVES

Clermont County Sheriff's Office (Disposal assistance of gunpowder, ammunition and fireworks)

4470 SR 222, Batavia(513) 732-7510

FLOURESCENT LIGHT BULBS

USA Lamp and Ballast Recycling

5366 Este Avenue, Cincinnati(513) 641-4155

FIRE EXTINGUISHERS

Stop Fire: (No charge when dropped off)

151 Castleberry Ct., Milford (513) 707-6060

Miami Township

- Miami Twp Hall, 5900 McPicken Dr
- Miami Twp Fire Dept., 6492 Branch Hill - Guinea Rd

Monroe Township

- Monroe Twp Fire Dept, 1963 Laurel Lindale Rd
- Monroe Twp Hall, 2828 SR 222

New Richmond

- 102 Willow St , (across from Village Hall)
- New Richmond Elementary, 1141 Bethel-New Richmond Rd

Owensville/Stonelick Township Area

- Clermont Co Fairgrounds, 1000 Locust St
- Pattison Park, 2228 SR 50 (south side of SR 50)

Union Township

- Glen Este Middle School, 4342 Glen Este-Withamsville Rd
- Cincinnati Nature Center, 4949 Tealtown Rd

Wayne Township

- Wayne Township hall, 6320 SR 133

Williamsburg Township/Village

- East Fork State Park Campground, 2837 Old SR 32
- Williamsburg Water Tower, N. 8th St

BUY-BACK RECYCLING STATIONS

Recycling stations take a greater variety of recyclable items than most drop-off boxes and may purchase certain items from you. Call ahead as acceptable items vary from station to station.

ADAMS BROWN RECYCLING

- 9262 Mount Orab Pike, Georgetown, Ohio, 937-378-3431

M & R RECYCLING

- 1272 Highway 28, Loveland, Ohio, (513) 575-0661

CINCINNATI PAPERBOARD

- 5362 Wooster Pike, Cincinnati, Ohio, (513) 871-0982

WAY OUT RECYCLING, INC.

- 2340 Snyder Rd., Batavia, Ohio, (513) 732-0374

DISPOSAL OF CANS OF PAINT

(Q) Can old cans of paint I have be recycled?

(A) Yes. Cans of paint can be taken to Environmental Enterprises, Inc. (EEI), 4650 Spring Grove Avenue in Cincinnati, Ohio. EEI will charge a nominal fee for this service. Any questions, call EEI directly at (513) 541-1823.

Another management option is to dry out the liquid paint by mixing it with sand, cat litter, sawdust, or simply by removing the lid. Once the paint has dried and hardened, it can be disposed of with your regular trash.

DISPOSAL OF OLD APPLIANCES

(Q) How can I properly dispose of my old appliances?

(A) With the exception of television sets and microwave ovens that Clermont County CANNOT accept, you can drop off your old household appliances including washing machines, dryers, stoves, ranges, freezers, air conditioners, refrigerators, and water heaters at the Clermont County Engineer's Office, located off State Route 222 on Filager Road, next to the Sheriff's Office. There is a \$20 disposal fee. No pick-up service is available. Any questions, call the Clermont County Engineer's office at (513) 732-8857 or Facilities Management Department at (513) 732-8850.

YARD WASTE DISPOSAL OPTIONS

(Q) What is the best way to dispose of yard waste?

(A) Some cities/villages will allow you to place grass clippings, branches, and leaves along the curb for later pick-up. You can also take yard waste to Hamilton County yard waste facilities for a small fee. Composting is always an environmentally friendly option or you can call your waste hauler to collect your yard waste. For more information, visit the yard waste page at the Office of Environmental Quality's web site, www.oeq.net, or call the Office of Environmental Quality at (513) 732-7894.

WHAT IS COMPOSTING

(Q) How can I begin home composting, and what can I compost?

(A) To view a variety of home composting bins, visit the Cincinnati Nature Center at Rowe Woods. For more information on composting, call Clermont 20/20Clean and Green at (513) 753-9222.

REPORTING TRASH ALONG OUR ROADS

(Q) If I notice trash along a certain roadway, can the County arrange to have it removed?

(A) If you notice sites that need to be cleaned, please e-mail tbrown@co.clermont.oh.us or call (513) 732-8126 and advise the type and amount of litter and if the location is on a curvy or hilly stretch of road.

Clermont County's Municipal Court Adult Probations Department has an alternative sentencing program where, under the supervision of a Probations Department litter crew supervisor, offenders can pick up litter along state, county and township roads. The scheduling of these roadside clean-ups are based upon need with the sites having the most litter addressed first. Safety issues may also determine which roads can be cleaned.

If the litter consists of larger items such as refrigerators, water heaters, etc., and located along a county road within the right-of-way, call the Clermont County Engineer's office at (513) 732-8857. For items alongside township roads, call the appropriate Township Trustees office. If the items are located along interstate and state roads such as Route 32, contact the Ohio Department of Transportation at (513) 797-6008.

REPORTING AN ILLEGAL DUMP

(Q) Who should I call to report an illegal dump?

(A) If you are witnessing an illegal dumping in progress, please contact 911. If you suspect the illegally dumped material is hazardous, contact the Ohio EPA's 24-hour Emergency Response Hotline at 1-800-282-9378. For non-hazardous material, contact the Clermont County General Health District at (513) 732-7499.
